

At The Vet Group, we understand how important it is to get your puppy off to the best start. This package is designed to help you with everything you need for the first year of your puppy's life. There is also the added bonus of free nurse checks throughout the year for any questions you may have about your new family member.

### **What does it cost?**

\$700 per year

### **When can my pet join?**

We recommend signing your puppy up at the time of their second vaccination is due. You can come into one of our clinics at any time to register or call us to speak with one of our friendly staff

## **THE PET GROUP**

### **for puppies**

For preventative health care that is simple, affordable & very convenient

## What is included?

### Health check and vaccination

Your puppy will require a vaccination between 10 – 12 weeks old and a final booster at 16 weeks old. At this appointment your veterinarian will perform a full physical examination on your puppy and discuss desexing, insurance, puppy school and any other concerns you may have.

### Desexing

This package includes having your puppy desexed between 6 months to 2 years of age. Your veterinarian can provide you with the best advice on when you should have your dog desexed depending on their breed and gender.

### 12 months of flea and worm control

You will be provided with a monthly chewable tablet to be given to your dog at home which covers fleas, ticks, mites, hookworm, roundworm, whipworm and heartworm. You will also be provided a separate tapeworm tablet to be given every 3 months.

### 50% off consultations throughout the year

If you have any concerns about your pet or your pet becomes unwell or injures themselves, you will get 50% off the consultation fee. You are eligible to as many consultations during the year as you require.

### Free check-ups and nail trims with a nurse

Throughout the year you can have access to unlimited nurse consults where you can ask questions on diet, bathing your puppy, checking their weight, and helping with training. You also receive four free nail trims.

### 10% off medications, products, toys and food

As a Pet Group member you will receive 10% off all products within store including our range of pet foods, supplements, leads, collars, toys as well as coat care items.

### 50% off your first bag of Royal Canin Food

You will also receive a voucher for 50% off a bag of Royal Canin Puppy food which can be claimed instore.

## FAQs

### What about pet insurance?

The Pet Group is an annual subscription that helps to support your pet's preventative care needs as well as save you money. This product does not replace pet insurance and clients are encouraged to do their own research to see what best suits their circumstances.

### Does this include afterhours?

At The Vet Group, we provide care 24 hours a day, 7 days a week. Members will be eligible for 50% off consultations made at any of our clinic locations, including standard consults, revisit consultations, nurse consultations and acupuncture. Members will receive a discount off the consultation price only. In the event of after-hours or emergency appointments surcharges will apply. House calls and Veterinary specialists' consultations are excluded.
